In the Matter of

THE COMPLAINT OF RIDGE ASSOCIATES, )  
MAYSVILLE, KENTUCKY AGAINST THE ) CASE NO. 7511  
KENTUCKY UTILITIES COMPANY )

O R D E R

This was a complaint that Kentucky Utilities Company ("K.U.") held the wrong business entity responsible for electric service furnished but not paid for, and consequently wrongfully refused to extend additional service to an allegedly innocent applicant for service. Hearings were held on August 28, 1979 and October 9, 1979.

Ridge Associates asserted in justification of its refusal to pay for permanent installations at the complex that it was forbidden to do so by HUD regulations.

The Commission has, since the hearings, been informed by the parties that JPB, Inc. has paid the principal amount of the delinquent bills in controversy, and that K.U. has informed Ridge Associates that it is prepared to extend service to Ridge Associates when called upon.

Having considered the entire record, including the information as to subsequent payment and the utility's offer to extend service to the Complainant, the Commission FINDS that the controversy has become moot and should, accordingly, be dismissed.

IT IS THEREFORE ORDERED that the complaint filed by Ridge Associates against the Kentucky Utilities Company be and it hereby is dismissed.

Done at Frankfort, Kentucky, this 16th day of May, 1980.
